

Customer Indemnity:

By utilising the Beyond Wireless remote temperature monitoring solution and services, the customer hereby agrees to indemnify Beyond Wireless and shall hold Beyond Wireless harmless against any and all losses, injury, damage, fines, penalties and claims of whatsoever nature and howsoever arising from or connected with the solution and or services (including, without limitation, the remote monitoring devices or the use or possession thereof) and whether or not such claims are caused by any act or omission of the customer or anyone else.

For the avoidance of doubt, and in now way derogating from the generality of this clause, the indemnity recorded shall apply to all and any claims made or threatened by a third party.

Interpretation: “solution and services” means providing an Internet of Things (IoT) remote monitoring service by means of a remote monitoring device, and or the GSM network, and or other communication systems, and or the cold-based software and or smartphone application.
